- 21:45 “Bilzen Mysteries” – The Story in the Castle of Alden Biesen (duration: 1h20)
Places are limited. Quick reservation recommended (via registration form)
The story of Alden Biesen, past and present merge in an amazing adventure full of stunning visual, sound, and light effects.
When evening falls, Alden Biesen comes to life.
Walk through the gate, turn on your tablet and step into a vibrant story.
Follow The Biesen Lord, played by the famous belgian actor Jan Declair. He knows all the secrets of this historic place.
800 years of history, from the dark Middle Ages to a devastating fire.
Do you dare to travel back in time ?

Thursday 8 August 2019 – Partner programme

We provide a separate day programme for the partners

- 09:30 Departure by bus at the Castle of Alden Biesen
- 10:00 – 11:30 Cultural city walk in Tongeren
Walk with your guide along the cultural highlight of Tongeren: the Grand Place with the statue of Ambiorix, the Gothic Basilica of Our Lady, the unique beguinage with its narrow streets and cosy squares, the beguinage church, the Agneten monastery, the Moerenpoort and the medieval ramparts.
- 12:00 – 13:00 Lunch in the wine castle of Genoels-Elderen
- 13:00 – 16:00 Visit of the wine castle Genoelselderren with tasting
The Wine Castle Genoels-Elderen in Genoelselderren, a part of the Belgian municipality of Riemst, is the only wine castle in Belgium.
The castle is situated on the old road that connected Tongeren with Cologne. In the Kiezelingenbos behind the castle is a Gallo-Roman tumulus, the Tumulus of Genoelselderren.
- 16:30 Arrival at the Castle of Alden Biesen

Friday 9 August 2019 – Technical visits

Guided tour in English and French

- 7:45 Bus from the Castle & Martin's Hotel Alden Biesen
Bus from the Hotels Eburon in Tongeren and Malpertuus in Riemst
- 9:00 – 10:00 Technical visit of Better3fruit
*Better3fruit is one of the largest apple and pear breeders in the world.
Better3fruit also develops, through strategic partnership, a marketing concept tailored to each variety. In the end, Better3fruits goal is to create added value for all partners throughout the chain: grower, nursery, wholesale. The launch of Nicoter/Kanzi® was Better3fruits first commercial exploit.*
www.better3fruit.com
- 11:15 – 12:15 Technical visit of Pcfruit
Pcfruit covers applied scientific research, demonstration activities to fruit growers, co-development programs with various kinds of industries and services for fruit growers. All these activities are centralized at one central location with suitable infrastructure like labs, greenhouses, storage facilities, plastic tunnels, shelters, warehouses and orchards.
www.pcfruit.be
